

## IIDS Infrastructure Affiliation in VERAS

If you submit a proposal through IIDS, or utilize IIDS infrastructure or resources (examples below), you should annotate that affiliation in [VERAS](#).

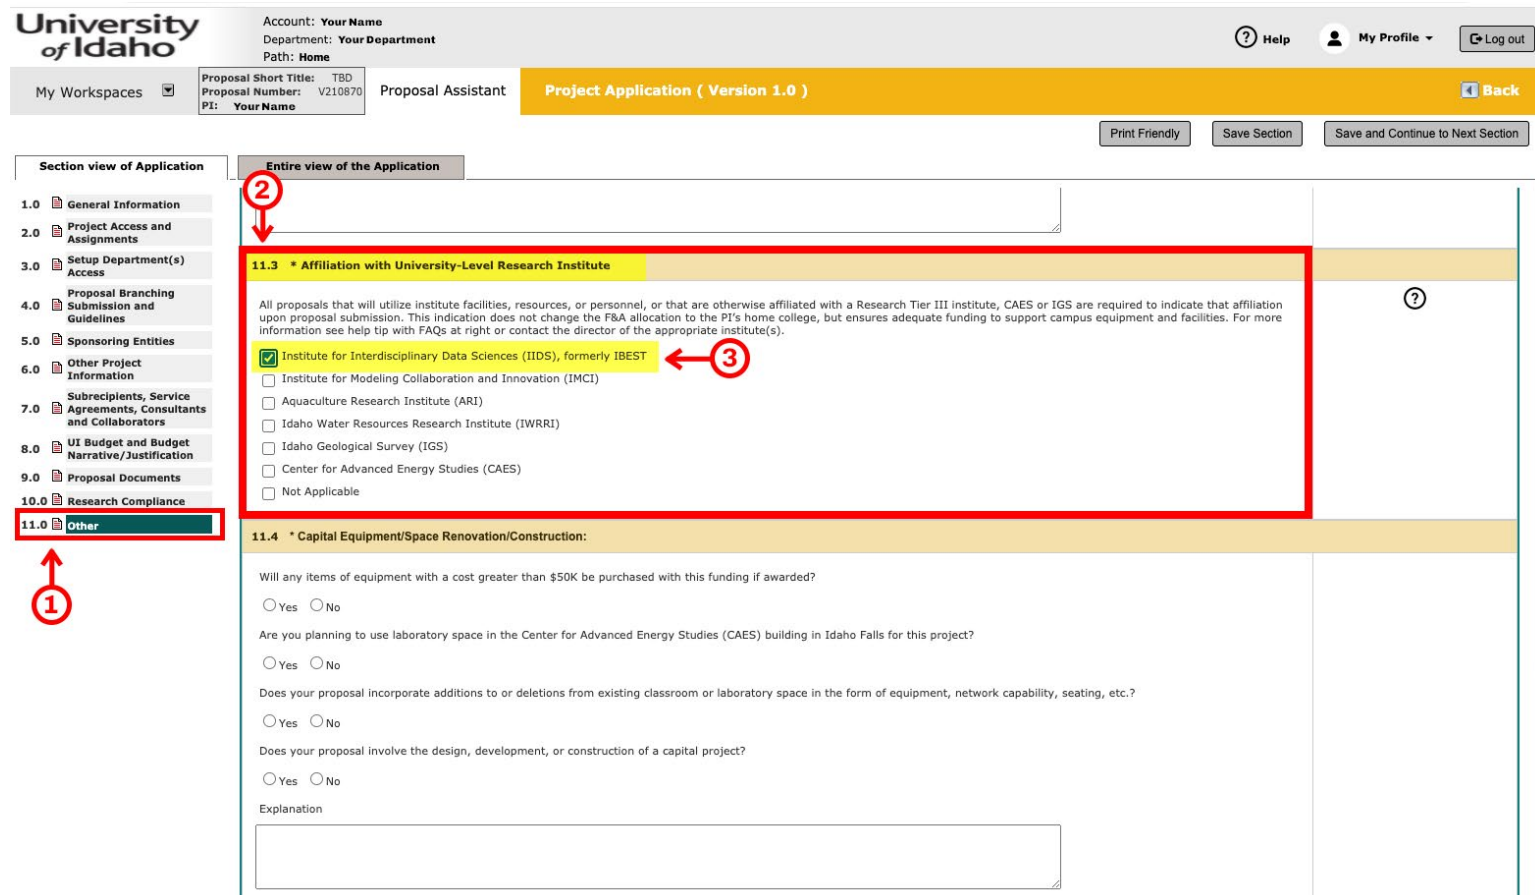

IIDS infrastructure includes, but is not limited to:

[Genomics & Bioinformatics Resources Core \(GBRC\)](#) – next-generation sequencing, targeted re-sequencing, DNA & RNA high-throughput sample preparation, bioinformatics & statistical analysis, etc...

[Research Computing & Data Services \(RCDS\)](#) – high performance computing, data management & storage, database/web development & hosting, mobile app development, etc...

## Instructions

When creating a new proposal in VERAS, proceed through the application until you get to section 11.0 “Other” (1). On item 11.3 “Affiliation with University-Level Research Institute” (2), check the box for “Institute for Interdisciplinary Data Sciences (IIDS), formerly IBEST” (3).

The screenshot shows the VERAS application interface. At the top, the University of Idaho logo is on the left, and account information (Account: Your Name, Department: Your Department, Path: Home) is on the right. A navigation bar includes 'My Workspaces', 'Proposal Assistant', and 'Project Application (Version 1.0)'. Below this is a sidebar with a 'Section view of Application' menu. The main content area is titled 'Entire view of the Application'. Section 11.0 'Other' is highlighted with a red box and a circled '1' with an arrow pointing to it. Section 11.3 'Affiliation with University-Level Research Institute' is also highlighted with a red box and a circled '2' with an arrow pointing to it. Within section 11.3, the checkbox for 'Institute for Interdisciplinary Data Sciences (IIDS), formerly IBEST' is checked and highlighted with a red box and a circled '3' with an arrow pointing to it. Other options in section 11.3 include 'Institute for Modeling Collaboration and Innovation (IMCI)', 'Aquaculture Research Institute (ARI)', 'Idaho Water Resources Research Institute (IWRRI)', 'Idaho Geological Survey (IGS)', 'Center for Advanced Energy Studies (CAES)', and 'Not Applicable'. Section 11.4 'Capital Equipment/Space Renovation/Construction:' is visible below section 11.3.
